

Writing out goals for the new school year can help prepare students for success. Goals are like wishes that you can turn into reality!

Write 3 wishes or goals for the new school year.

Wish #1

A large purple thought bubble with a dark purple outline and a drop shadow. Inside the bubble are four horizontal lines for writing. To the left of the bubble is a yellow starburst, and to the right are two yellow starbursts. Below the bubble are two smaller purple circles connected by a thin line.

Wish #2

A large purple thought bubble with a dark purple outline and a drop shadow. Inside the bubble are four horizontal lines for writing. To the left of the bubble are two yellow starbursts, and to the right is one yellow starburst. Below the bubble are two smaller purple circles connected by a thin line.

Wish #3

A large purple thought bubble with a dark purple outline and a drop shadow. Inside the bubble are four horizontal lines for writing. To the left of the bubble is one yellow starburst, and to the right are two yellow starbursts. Below the bubble are two smaller purple circles connected by a thin line.
